Criticism and Citizenship

It is the plain, public duty of every citizen to criticize proposed government measures believed to be harmful.

Swift & Company is in a better position perhaps, than others, to understand the meat packing business in all its relations to public and private interests, even though the others may have been giving the subject a great deal of sincere attention.

Swift & Company is convinced that interference with its legitimate business function by governmental agencies, however well intentioned, would be an injury to every man, woman and child who wants meat to eat, as well as to the men who raise the meat and to those who dress and distribute it.

Maximum service that cannot monopolize because of keen competition and lack of control over sources of supply is furnished at a minimum of profit—a fraction of a cent per pound from all sources.

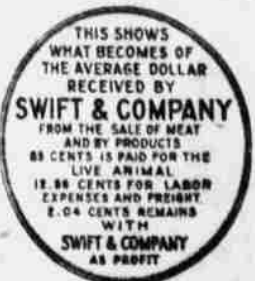

Therefore Swift & Company is taking every legitimate step of citizenship to prevent such interference.

These advertisements are intended to help you, and to help Congress decide what is best to be done. Mistakes are costly and apt to be harmful in these trying times.

YAZOO FARMERS ARE
TO MEET TO ORGANIZE

YAZOO CITY, Miss., Nov. 4. (Sp.)—N. A. Mott, recently elected president of the Yazoo Farmers' union of Mississippi at a conference of members of that body during the State fair at Jackson, has called a meeting of Yazoo county's former organization, and of residents of the county who are interested in the organization to be held at the court-house in Yazoo City on Monday, Nov. 11, at 2 o'clock p.m. The purpose of the meeting here is the reorganization of Yazoo county's unit in the state organization.

Mr. Mott has also been authorized to call a state meeting of the Farmers' union as soon as a sufficient number of the county organizations of the state have been revived. In the work of reorganization which is now in progress the following organizers have been appointed: W. J. McMillen, Newton; G. Davis, Pelahatchie; Rev. H. W. Bradshaw, Pelahatchie; M. A. Brown, state land commissioner, Jackson; A. G. Brown, Richland; E. W. Byrd, Richland; J. V. Gibson, Duffy; C. J. Gibson, Philadelphia; E. B. Carter, Hamilton; Route 2; J. M. Harrington, Union, Route 3; A. P. Smith, Branch; B. W. Deering, Newton.

RIOT JURORS BARRED
BY ORDER OF JUDGE

KNOXVILLE, Tenn., Nov. 4.—Judge Nelson, of the criminal court, Monday issued an order in which the 12 men who served as jurors in the race riot case of last August, freeing 14 and entering a mistrial as to five others, are barred from ever serving on a jury in this court so long as he is the presiding officer. In entering this order the court said: "The verdict of the jury in said case was wholly unwarranted by the facts."

YAZOO TEACHERS MEET
IS POSTPONED AGAIN

YAZOO CITY, Miss., Nov. 4. (Sp.)—The meeting of the Yazoo County Teachers' association, which was to have been held in this city yesterday, because of the continued rain and the rain Friday night and Saturday morning, was not held and the reorganization of the county association will have to be postponed to another day.

Rather than make another attempt at finding a good day on which all the teachers of the county may meet in Yazoo City the county superintendent of schools, Prof. Hugh Bull, has about decided to save further loss of time in the organization of the county by suggesting to the temporary officers of the organization that they make the appointment of a vice-president in each beat and that these appointed officers get together at the near future and form a program for a meeting of the county teachers in Yazoo City at a later date.

When this later meeting is held a plan of athletic and literary contests between the beats and a final contest in which each beat in the county will enter representatives will be discussed. The county contests probably will be held at some time in the spring.

TOM SCARBOROUGH NO
KIN TO T. G. SCARBROUGH

One of the most vicious, uncalled-for stories that the campaign has brought out made itself heard Monday afternoon, when a report was spread that it was a brother of T. G. Scarbrough, candidate for city tax assessor, who was indicted and tried for the murder of John Cooper Benson, a union motorist, just before the Memphis street car strike in 1918.

The story no doubt was spread in an effort to injure Mr. Scarbrough's standing as a candidate with the street car union men.

The man who was indicted for the crime, and who since died in St. Louis, was Tom Scarborough—the last name not even being spelled the same as that of the candidate. Both Christian names are the same, Thomas. He was tried with a dozen other defendants for the killing of Benson.

"It was a malicious tale, intended to injure me," said Mr. Scarbrough Monday. "I have fought a clean fight in this campaign. I am running for reelection against a man who clearly is ineligible to hold a city office. I can prove that statement, but I have this to say: If my opponent, John T. Corbett, gets a majority of the votes, I will not contest his election."
